CLIENT FEEDBACK

Thank you for your efforts in hosting our son's birthday party. The parents found the space amazing for events (and so did the kids)! Anna did a great job with the setup and was a great help throughout the planning and event management process. I have only compliments to give regarding the space and the service. Would definitely book a room again.

Thank you so much for all you've done for our 10th anniversary concert. We are so grateful to have the Hollandse Club events team support us! Numama choir has been staging concerts at Hollandse Club since 2012 and it has become our home from home. The staff couldn't be more helpful, both during the planning stage and on the day, and they all have a wonderful "can do" attitude. A special shout out goes to Hafiz who quietly and calmly makes things happen. We have just held our 10th Anniversary concert at Hollandse Club and look forward to many more in the years to come.
